

Instructions

This part of the medical assessment provides information to Premise Health about your medical history to allow Premise Health to evaluate your physical condition and ability to perform the work for which you have applied. Please report **all** past or present injuries, illnesses or medical conditions asked for, especially those that may have- at any time, past, or present, even if for only a day or two -- impacted your ability to work. Please read each question carefully and remember to provide a **full description** in your own words for each YES answer you check. To the best of your ability, please provide date(s) of injury, surgery and treatment, date released from care and any activity restriction recommended. Space for this is provided on each page. If you need more room, please use the back. **You may be asked to obtain all medical records pertaining to any condition that may affect your ability to safely perform the essential job functions for the position you are applying, for our review. INCOMPLETE OR INACCURATE ANSWERS OR FAILURE TO PROVIDE ALL AVAILABLE RECORDS WILL DELAY, AND MAY TERMINATE, THE PROCESSING OF YOUR MEDICAL ASSESSMENT.**

Consent and Release

I hereby authorize and direct Premise Health to disclose to Toyota and its customers all my medical records and information created, received, or maintained by Premise Health, including any information related to my medical history, physical examinations, testing, conditions, care, counseling, prescription medication, therapy, treatment or other physical, surgical, emotional, psychiatric, or mental health care provided to me at any time. I understand that the information I am authorizing for release may include information relating to behavioral or mental health services and/or treatment for alcohol and/or drug abuse. I have executed this authorization in connection with my application for employment at Toyota. I understand any information disclosed or obtained hereunder may be subject to further disclosure by to its customer. I have read and understand this form in its entirety and voluntarily authorize the uses and disclosures of the information described above. I understand that I have the right to receive a copy of this authorization upon request. I understand that I may revoke this authorization at any time by submitting notice of my revocation in writing to the health center. I understand that my revocation of this authorization does not affect any actions taken prior to receipt of my revocation.

This consent and authorization will expire five (5) years from the date of signature.

Participant Authorization

Occupational Health Services; Access to Medical Record; Release of Information

Occupational Health Services:

Your employer has contracted with Premise Health Employer Solutions, LLC, along with its professional affiliates (collectively, "Premise Health") to provide occupational health services to individuals at its Health Center ("Occupational Health Services").

Protection of Your Health Information: Premise Health abides by all applicable laws and regulations governing the privacy and security of your health information. To the extent that your occupational health encounter is subject to the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"), Premise Health complies with and maintains the privacy and security of your Protected Health Information, as defined under HIPAA ("PHI") in accordance with its Notice of Privacy Practices ("Notice"). You will find this Notice at the Health Center and on the Premise Health website [<https://www.premisehealth.com/privacy-policy-center/privacy-notice/>]. You may also request a copy of this Notice from Premise Health at any time by contacting the Health Center.

Medical Record Authorization: In the course of providing work-related testing or examinations, your Premise Health provider may need to review of your medical test results, medication history, medical diagnosis, medical history, or other such medical information. Your Premise Health provider will access only the minimum necessary of such information to administer and provide the Occupational Health Services. By signing below, you authorize the access of such medical information and its being recorded in your occupational health record.

Release of Information Authorization: Your participation in the Occupational Health Services may be required by your employer as part of your work duties or position and paid for by your employer. Records created about you as part of the Occupational Health Services may include certain medical information (e.g., medical test results, diagnosis and medical/medication history). By signing below, you authorize Premise Health to disclose the minimum necessary medical information required to satisfy the relevant requirements for your work duties/position from this record to your employer and/or any third-party that contracts with your employer for purposes of administering your employer's occupational health program. This disclosure may be made through secure electronic means. You also understand that information disclosed pursuant to this authorization may be subject to re-disclosure by the recipient and may no longer be protected by federal or state privacy laws.

Occupational Health Services may include medical evaluation, screening, and treatment, including but not limited to, the services listed below.
